œ Sommelier Selections œ

The Firehouse Restaurant Sommelier Staff has over 60 years of combined experience in the art, history, viticulture, winemaking and service of all things wine. We are as diverse as our love of wines, but with one goal. Our goal is the satisfaction of our guests as we strive to marry the cuisine with the wines we present in a memorable experience. The wines listed below are some of our favorites. We believe you may find in them an experience not to be forgotten as well here at The Firehouse restaurant.
